

**Your Loves About As Healthy
(As A Heart Attack) - SKL Music 2022 (Rock and Roll)**

V1

Your loves about as healthy as a, bowl of fries
Topped with chocolate sauce, absinthe and cyanide
Like a burger stacked higher than an old juke box
Like a boat of drunken sailers scratchin' chicken pox
Your loves about as healthy, (x 3)
As a heart attack

V2

Like a dog on rabies, and howlin' all day
She'll keep on biting you boy, until she gets paid
Your on a mile long leash every time your leave town
No matter how high you fly, she's always got the higher ground
Your loves about as healthy, (x 3)
As a heart attack

V3

As healthy as a gun store, next to a bank
An old fried fish served in a dirty ashtray
Acid trippin' astronaut saying he drank the milky way
My divorce lawyer washed up in plastic on the bay
Your loves about as healthy, (x 3)
As a heart attack

Outro

Your loves about as healthy as a smokers cough
Bout as healthy as a jailhouse lock
Bout as healthy as smokin gun
Bout as healthy as T Rex nun
Bout as healthy as a crooked judge
Bout as healthy as poisoned fudge
Bout as healthy as a fish in a bowl
Bout as healthy a river troll
Bout as healthy as diamondback
Bout as healthy as hippo attack
Bout as healthy as a nincompoop
Bout as healthy as cactus soup
Bout as healthy as a silver spoon
Bout as healthy as not immune
