

Blues Detox - SKL Music 2024 (Roots Feel)

V1

I'm walking on ice
Just to pay my rent
I'm rolling that dice
But I ain't got a cent
I need a blues..... detox, a blues.... detox

V2

Im two strings down
On this old Guitar
When I finish that bottle
I'll be back to the bar
I need a blues..... detox, a blues.... detox

V3

I got a cat called crystal
She's got a dog called Jake
They got a real small kitchen
But you should see what they bake
I need a blues..... detox, a blues.... detox

V4

Sweating all night
Like rain in my bed
Some days I wonder
Why do I get out of bed
I need a blues..... detox, a blues.... detox

V5

And when that thunder starts to roar
Like a mountain lion
And everything's flashing red
And they're screamin' that siren
I need a blues..... detox, a blues.... detox

V6

When every bone in your body
Feels like a house of cards
And the next train stop
Is a grave yard
I need a blues..... detox, a blues.... detox
