

Fast food, Junkie, Medusa - SKL Music 2024 (Honky Tonk Rock Feel)

V1

She got a snake tattoo
Just above her knee
Then she slithers in my ear with a,
“ Come upstairs with me “
“ You can be a good boy, or see the whole den “
When I woke up in the morning
My mind was a bend

Chorus

She was a one strike, squeeze you tight, fast food junkie Medusa
I was a real quite, feather light, honky tonk full time boozier
You'd think I learn my lesson, twice bitten
But upstairs, I was her kitten
“ Don't disturb “ on the door
Became a 24

V2

Her venom was strong
And she poisoned my soul
But she liked to rattle
And I liked to roll
She use to count that green,
with her forked tongue
And I'd wake up in the morning like a
mouse in the sun

Chorus

V3

Her fangs like knives
If she needed another pour
Her scales like armour
Ready for war,
She could read me like a book when I ran out of dough
When I woke up in the morning
That was the end of the show

Chorus
