V1

My name is SKL
And I'm a Guitar addict
I like to play the blues ya'll
I'm a full blown 6 string fanatic
Found my true love
In a pawn shop just down town
She was a beaten up old Strat lord
With scratches all around

We played all the clubs on Beale street
Till the morning sun came up
Well I declare I just couldn't put her down
She was my life long loving cup

V2

Every time I try the 12 steps
I end up with the 12 bar blues
But I get me some free coffee
And a couple of Tim Tams too
Everybody's got a story
But it don't seem so bad to me
Cause my Guitar is my Doctor
And silence is misery

The circle starts to itch
As midnight comes too soon
Well It's an uncontrollable urge people
That Guitars anonymous spoon

V3

Lord grant me the serenity
To accept the things I cannot change
And the courage to change the things I can
and the wisdom to know the difference amen
Well I fell hard off the wagon
I just had to plug her in
Well all this talk and no play
Just a cryin' shame and sin

Now you call me the devil
But you all play that Robert Johnson too
I declare I declare people
I got the Guitars anonymous Blues
