

Street of Broken Dreams - SKL Music 2023 (Blues Shuffle)

V1

Cardboard roof
Cold blue feet
Shouting out to no-one
With those stained nicotine teeth
Empty bottles rollin
Singin' from the ground
Devils always callin'
Making his rounds

Chorus

Back on the streets
Oh of broken dreams
Praying for an angel
To get her back clean

V2

Long Tall Sally
Was her working name
Use to be a butterfly
Now another moth to the flame
Smoke filled limousines
Stalking their prize
Another cop on the corner
Taping off another crime

Chorus

V3

Sir, you got a dollar?
Or need a friend?
Got a real sweet tooth?
See that Mercedes Benz
Get you so high
Till the tears come down
Now you right back where you started
Beggin' on the ground

Chorus
