

## Cafe Du Monde - SKL Music 2024 ( New Orleans Funk Feel )

V1

I know a place in my neighbour hood  
Croissants are fresh and the coffees so good  
Down at Cafe Du Monde  
Down at the Cafe Du Monde  
That's where I get my fix  
And everybody just gets along

V2

Don't matter what religion, colour or race  
There's miles of smiles on everybody's face  
Down at Cafe Du Monde  
Down at the Cafe Du Monde  
Everybody down there  
Singing like they just don't care

Bridge

When you get them blues and need a little recharge  
Or it's been a long day, in life's old garage  
Kick a foot back, and ease your, worried mind  
Cause brother, a little rest ain't no crime

Solo

V3

Meet my three doctors there the best in the land  
Ewnetu, Angus and that wise Hassan  
Down at Cafe Du Monde  
Down at the Cafe Du Monde  
Grinding them beans  
They got their masters on that coffee machine

V4

See you there tomorrow bout a twelve o' clock  
Theres always space down at the parking lot  
Down at Cafe Du Mond  
Down at the Cafe Du Mond  
Well thats where I like to chill  
And where I get my magic fill
